1. INTRODUCTION

- 1.1 The Public Service Sector Education and Training Authority (PSETA) is a Sector Education and Training Authority (SETA) established in terms of section 9(1) of the Skills Development Act 97 of 1998 as amended and is classified as a National Public Entity under schedule 3A of the Public Finance Management Act, 1 of 1999.
- 1.2 The PSETA intends to appoint a competent service provider to develop and update the 5-year PSETA Sector Skills Plan (SSP) for submission in the year 2024, based on credible, up-to-date researched evidence collected and analysed by the service provider.

2. OBJECTIVES OF THE ASSIGNMENT

- 2.1. The objective of this request is to appoint a competent service provider to develop the 5-year PSETA Sector Skills Plan (SSP) for submission in the year 2024, based on credible, up-to-date researched evidence collected by the service provider.

3. SCOPE OF WORK

In conjunction with the PSETA's Research team, the service provider will research and prepare the SSP in line with the Department of Higher Education and Training's (DHET) latest SSP Framework. The first draft and final draft Sector Skills Plans must: adhere to all DHET Sector Skills Plan guidelines, frameworks, and all related requirements; be drafted taking the research done within the sub-sectors into account; be triangulated with other reliable, verifiable, valid, and relevant data sets as a basis; and must be consistent in terms of content and statistics focusing on, but not limited to, the following:

3.1. Sector Profile

- 3.1.1. The profile of the sector is accurately captured in all respects and updated and must include Standard Industrial Classification (SIC) Codes and coverage thereof.
- 3.1.2. The economic performance, employer, and employee profiles are analytically discussed.
- 3.1.3. Climate, social, economic, and technological disruptors and their impact on the sector are analysed and discussed.
- 3.1.4. Trends and patterns in the sector are captured and discussed.

3.2. Key Skills Issues

- 3.2.1. The choice of change drivers is directly related to skills-related demand and supply considerations.
- 3.2.2. Key skills issues are established using participative research methods.
- 3.2.3. Climate, social, economic, and technological disruptors and their influence on the sector are discussed.
- 3.2.4. There is a minimum of 5 key skills issues.

3.3. Extent of Skills Mismatch

- 3.3.1. Stakeholder profile.
- 3.3.2. There is an accurate Sectoral Priority Occupations Interventions List (SPOI List) with supporting evidence for each occupation identified in the list.
- 3.3.3. There is a critical analysis of the state of education and training in the sector.
- 3.3.4. There is accurate identification of skills gaps with supporting evidence.
- 3.3.5. The role Climate, social, economic, and technological disruptors play in relation to skills mismatch and how such mismatches should be addressed through proactive skills planning.
- 3.3.6. Occupational mismatches are identified with supporting evidence.

3.4. Sector Partnerships

- 3.4.1. A critical analysis of SETA partnerships demonstrating an understanding of issues.
- 3.4.2. Focus on what has been achieved through partnerships.
- 3.4.3. Provide examples of successful partnerships.

- 3.4.4. Discuss the failures and weaknesses of respective partnerships and provide practical and relevant recommendations on how to address shortcomings.
- 3.4.5. Strengthen/develop an effective partnership model based on analyses and recommendations made.

3.5. SETA Monitoring and Evaluation

- 3.5.1. Insight into PSETA's Monitoring and Evaluation approach.

3.6. Strategic Skills Priority Actions

- 3.6.1. Insight and analysis of findings from previous chapters are translated into skills priority actions.
- 3.6.2. Major skills priorities are identified and discussed.
- 3.6.3. In addition to all of the above, the impact of the following (but not limited to):
 - Climate, Social, Economic, and Technological disruptors,
 - Circular 25 DPSA: Public Service Skills Audit Methodology Framework,
 - The Economic Reconstruction and Recovery Plan (ERRP),
 - The National Skills Development Plan (NSDP)
 - The proposed Master Skills Plan,
 - The National Framework towards Professionalisation of the Public Sector, and
 - The implementation and other relevant legislation and policy developments in the sector.

The implementation and related challenges must be factored into the SSP, how such considerations influence and shape the sector from a skills planning perspective, and how the PSETA is to address issues emanating from these developments in the form of strategic skills priority actions.

- 3.7. The appointed service provider must ensure that the SSP inclusive of drafts adheres to professional layout and editing standards in accordance with the official PSETA branding. The quality assurance of language and grammar as well as plagiarism must be provided upon submission of the SSP.

4. METHODOLOGY

The service provider will be expected to design and apply tools and methodologies that will produce valid and reliable data results for use towards effectively achieving the scope of work indicated. This will include, but may not be limited to, literature reviews, primary and secondary data collection, and analysis for quantitative and qualitative (i.e. mixed) methodology, etc.).

Recommendations for research work to be undertaken are listed, but not limited to the following: service provider must propose a methodological approach which will be subject to review by the PSETA.

- 4.1. Defining and describing the sector: This will involve mainly desktop research to produce a clear definition of the PSETA sector, including all sub-sectors. Furthermore, it is important to define cross-sectoral relationships with other sectors.
- 4.2. Review the sector in terms of key national policies and strategies, growth, equity, and other measures that locate the PSETA sector in the current South African context.
- 4.3. Conduct an analysis of remuneration levels and other trends in the sector using desktop research and analysis of data such as Stats SA, HEMIS, Reserve Bank, etc.
- 4.4. Produce a sector analysis, examining the linkages with other sectors, alignment to national strategies and priorities, alignment with provincial growth and development strategies, and making use of scenario thinking to project potential future scenarios for the PSETA sector.
- 4.5. Analyse Workplace Skills Plans (WSPs) and Annual Training Reports (ATRs) to be submitted by employers by 30 April each year, or as and when so advised by designated authorities.
- 4.6. Assess the skill needs of the different sub-sectors of PSETA in addition to data cleaned from WSPs, analyse available recruitment statistics, and conduct interviews with approximately 20 employers in the sector.
- 4.7. Arrange and facilitate a small number of focus groups and workshops to test findings of desk, data, and field research and explore strategies for expanding the sector, improving labour absorption levels, and supporting job creation.
- 4.8. Conduct skills supply analysis based on current programmes available to meet the demands of the sector.

- 4.9. Facilitate consultative processes within the PSETA to validate the SSP with stakeholders, including presentation, preparation, and facilitation of discussions where required.
- 4.10. Review and prepare the final SSP for submission based on internal and external stakeholder inputs.

5. DELIVERABLES

The appointed service provider is expected to deliver the following in line with the Service Level Agreement (SLA) to be entered into with the PSETA:

All the assignment reports must be of high quality. The key deliverables are as follows:

- 5.1. A project plan with the reflection on the understanding of the scope of work within seven (7) working days from the receipt of a valid appointment letter as a successful bidder.
- 5.2. Sector Skills Plan: A final SSP will be drafted taking the research done within the sub-sectors into account and triangulation with other data sets as a basis, which must be consistent, valid, and verifiable in terms of content and statistics. Updated SSP: Update the current SSP utilising available research and data and submit to the PSETA first and final draft SSP documents in line with PSETA Board and DHET timeframes.
- 5.3. The service provider shall deliver the first and final SSP documents which must be no longer than 65 pages, and in line with the latest DHET SSP Framework requirements. A Portfolio of Evidence (PoE) must be provided for each chapter. Such evidence will include full quantitative and qualitative data sets (including all interview transcripts, quantitative data sets, etc.); together with synthesis reports and any other requirements deemed necessary by the PSETA including:
 - 1 x electronic copy of the SSP in Word format, submitted on a USB memory stick (ensure the electronic copy submission is readable by any computer).
 - 1 x electronic copy of the PSETA Sectoral Priority Occupations Interventions List (SPOI List).
- 5.4. A portfolio of evidence (PoE) must be provided for each chapter of the SSP. Such evidence will include complete raw quantitative data sets and all interview transcripts and voice recordings, together with synthesis reports, as well as any other evidence deemed necessary by the PSETA, submitted on a USB memory stick (ensure the electronic copy submission is readable by any computer).

- 5.5. First and final draft SSPs in line with all PSETA requirements as stipulated above, and in accordance with the service level agreement (to be drafted during the appointment of an approved service provider).
- 5.6. Two workshop sessions with national and provincial departments as part of the SSP consultation process.
- 5.7. A PowerPoint presentation of the first and final drafts of the SSP, which is to be presented to the PSETA by the appointed service provider.
- 5.8. A project close-out report
- 5.9. Any other required supporting documentation as deemed necessary by the PSETA.
- 5.10. The service provider shall deliver the first and final draft 5-year SSP in line with all PSETA requirements as stipulated above, and in accordance with the service level agreement entered during the appointment of the service provider.
- 5.11. The final draft 5-year SSP shall be based on amendments/inputs/additions made to the first draft SSP by the service provider in accordance with and as required by PSETA recommendations/inputs/etc.
- 5.12. The service provider must submit the first and final drafts (along with PoE, annexures, etc.) of the 5-year SSP in accordance with the strict timelines indicated by PSETA in order for PSETA to meet the requirements of the DHET prescripts, guidelines, and frameworks.
- 5.13. Failure to adhere to the submission of all deliverables in accordance with PSETA deadlines and timelines as stipulated by the PSETA will result in non-delivery on the part of the service provider.
- 5.14. Furthermore, any changes communicated to the PSETA by the DHET on revisions or updates to the existing DHET SSP Framework during the course of this project should be incorporated into the final 5-year SSP, at no additional cost to the PSETA.

6. PROJECT PLAN
