

Thank You

FOR ATTENDING THE

SETA Skills Summit (SSS) and launch of the SETA Integrated High Impact Programmes (SIHIP)

HOSTED ON

23 AND 24 APRIL 2024 - **Together, Skilling the Nation.**

The Department of Higher Education, Science and Innovation together with the Association of SETA Chairs and the SETA CEO's forum THANKS you for attending the SETA Skills Summit and the launch of the Strategic Integrated High Impact Programmes (SIHIP).

Discussions were vigorous with input from representation from all key role players.

The summit outcomes, which can be summarised as shifting from a target driven approach towards an impact driven approach, are well noted and accepted by the SETAs for implementation.

The summit concluded that the most urgent resolution is for the work to start now. This we commit to.
