POPI ACT

The Protection of Personal Information (POPI) Act, No 4 of 2013 promotes the protection of personal information by public and private bodies.

In simple terms, the purpose of the POPI Act is to ensure that all South African institutions conduct themselves in a responsible manner when collecting, processing, storing and sharing another entity's data subject's personal information by holding them accountable should they abuse or compromise your personal information in any way. The POPI Act also sets out requirements for lawful processing of personal information.

As part of its mandate, PSETA is legally obligated to collect, use, and disclose personal information of data subjects, for the purpose of reporting skills development initiatives and interventions to the Department of Higher Education and Training and/or performing its public law duties, as a National Public entity.

By selecting agree on this form, the data subject therefore gives consent agrees that his/her information can be used by the PSETA and the third party, such as the Department of Higher Education and Training, AGSA and any stakeholder implementing PSETA project for the purposes of reporting, auditing and registration on the learning intervention embarked on, which forms part of PSETA's public law duties as a National Public Entity.
